Kit Lift Adjustable

COD: 07020

MAX VESA 600x400

LIFT ADJUSTABLE together with SLIM TILT 600 is a kit which allows you to hang a digital signage monitor or tv (up to 60”) from the ceiling. Lift adjustable offers the ultimate flexibility of installation: its arm has a vertical adjustment from the ceiling downwards of up to 1.5mt. And the base can be rotated 30° on the arm’s axis to make installation on slanting or irregular ceilings easier. SLIM TILT 600 allows the monitor to be tilted up to 12° in relation to the perpendicular axis.
