Window Gate 55"

COD: 09268

WINDOW GATE is a digital signage totem featuring a clean, minimalist design that enhances the displayed content by making the screen the true focal point of visual communication. Its open, lightweight structure blends seamlessly into any environment while maintaining maximum visibility and a refined aesthetic.

It is particularly well suited for retail stores, pharmacies, showrooms, and commercial spaces where promotions, services, and information need to be communicated effectively. When paired with high-brightness displays, WINDOW GATE is also the ideal solution for window display installations. Compatible with displays from 43" to 75", it combines versatility, durability, and outstanding visual impact.
