CARAVEL 2.1

COD: 07194

MIN VESA 200x200 - MAX VESA 800x600

This professional height-adjustable trolley is designed to support displays up to 86. Its sturdy and reliable construction ensures excellent stability during use, making it the ideal solution for educational environments, meeting rooms, corporate spaces, digital signage applications, and hospitality venues. The height-adjustable design allows the display to be positioned at the optimal viewing level, ensuring maximum visibility for all users. Supporting displays up to 90 kg and VESA mounting patterns up to 800 × 600 mm, the trolley provides a safe and versatile solution for large-format screens. The package includes two practical shelves: a lower shelf for laptops, media devices, and accessories, and an upper shelf that is ideal for mounting a video conferencing camera or other peripherals. Four swivel castors with integrated brakes allow the trolley to be moved effortlessly between rooms and secured firmly in place when required, providing maximum flexibility and ease of use.
