COLUMN E700 EVOLUTION

COD: 07195

MIN VESA 200x200 - MAX VESA 800x600

COLUMN E700 EVOLUTION is an electric lift column designed to support displays up to 90".
The structure rests on the floor and is secured to the wall using a dedicated mounting bracket, ensuring maximum stability and safety.
. It is suitable for installation on both concrete and plasterboard walls. The electric height adjustment provides a 700 mm travel range, allowing the display to be positioned at the ideal height for any environment. Thanks to its extended vertical movement, the screen remains clearly visible in meeting rooms, classrooms, and conference spaces, ensuring excellent readability even for audiences seated farther away.
