Electric Trolley

COD: 06184

MIN VESA 300x200 - MAX VESA 800x600

Trolley for maxi screens (up to 90”) with electric movement and safety system: the upward movement stops in front of an obstacle and the support returns to the initial position. The possible motion is 50 cm up to a maximum of 116cm in height measuring from the center of the screen. Large base which cannot be overturned (110x71 cm) on swivel wheels equipped with brake. When completely folded the support occupies only 81cm of space.
