TROLLEY E500 WINGS 86

COD: 07201

MIN VESA 400x400 - MAX VESA 800x600

TROLLEY E500 WINGS 86 is a motorized trolley designed for 86" displays.
The electric column provides a 500 mm height adjustment range, easily controlled through a convenient remote control. On both sides of the display, two melamine whiteboards with a lacquered writing surface are integrated, making them ideal for use with dry-erase markers. When not in use, the whiteboards can be folded inward to minimize the overall footprint of the system and facilitate handling and mobility.
