Window Stand Freestanding

COD: 09294

MIN VESA 200X200 MAX VESA 600X400

WINDOW STAND is a digital signage stand primarily designed for shop window installations, where maximum content visibility is essential while maintaining an elegant and discreet appearance.
Its minimalist structure, available with either a freestanding base or a floor-mounted configuration, enhances the display, making it the true focal point of visual communication.
Thanks to its clean lines and slim profile, it also integrates seamlessly into retail stores, showrooms, pharmacies, reception areas, and public spaces.

For an even more refined and premium look, WINDOW STAND can be equipped with dedicated display covers that conceal the rear of the screen, further enhancing its aesthetics and ensuring perfect integration with the surrounding environment.
